

GEORGE WEBER: PROJECTS AND CLIENTS (Under revision 3-9-12)

Following is a list of selected projects George Weber has conducted, or on which he has worked with and for others. These policy and planning projects can be categorized in several different ways to address a specific context or need, e.g., governing legal context, environmental media, program area, and required skills. Thus, several specific projects are listed more than once under the different categories below. George Weber will select from these projects, and elaborate and format appropriately to meet your specific needs.

COMMUNITY INVOLVEMENT, PUBLIC PARTICIPATION, COLLABORATIVE NETWORK DEVELOPMENT, RISK COMMUNICATION, EVENTS & TRAINING

Community Involvement Support, Community Involvement Plan: Interim Risk Management Plan Pueblo Formerly Used Defense Sites (FUDS), Southeast Colorado, to Versar Inc. for the U.S. Army Corps of Engineers.

Libby Asbestos Superfund Site Community Relations Support, for the CERCLA Program, Region 8 EPA and U.S. Army Corps of Engineers.

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities.

VB-I70 Superfund Site Stakeholder Assessment for CERCLA Program, Region 8 EPA.

Cache la Poudre Watershed Water Quality Stakeholder Assessment and Strategic Plan for the City of Fort Collins Utilities, City of Greeley Utilities, Friends of the Poudre, Larimer County, Northern Colorado Water Conservancy District, North Front Range Water Quality Planning Association, South Forth Collins Sanitation District, and Weld County.

Cache la Poudre Source Water Quality Stakeholder Assessment and Strategic Plan for the City of Fort Collins Utilities, City of Greeley Utilities, and Water Quality Control Division, and Colorado Department of Public Health and Environment.

Assessment of Sensitive Issues Related to the Colorado Geological Survey's Water Quality Data Program Initiative -- Data Base Creation for the Water Quality Data Program, Colorado Geological Survey, Colorado Department of Natural Resources.

Strategic Mobilization Plan for Wyoming Safe Drinking Water Program for Wyoming Direct Implementation and Enforcement Program, EPA Region 8.

Implementing EPA Agricultural Chemicals In Ground Water Strategy - A Network Approach for the Ground Water Protection Program, Region 8 EPA.

Environmental Assessment Office Building Construction for the Federal Bureau of Investigation, Denver Division Office, Denver, Colorado for the General Services Administration, under subcontract with Waterstone Environmental Hydrology and Engineering Inc. (Boulder, CO).

Feasibility Study & Record of Decision Vasquez Boulevard/I-70 Superfund Site Operable Unit 3 Argo Smelter for the Region 8 EPA Superfund Program , under subcontract with Waterstone Environmental Hydrology and Engineering Inc. (Boulder, CO).

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities.

VB-I70 Superfund Site Working Group Meeting Planning and Facilitation for CERCLA Program, Region 8 EPA.

Guide to Developing a Community Wellhead Protection Plan in Colorado: A Community Development Approach for the Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Calhan Wellhead Protection Plan for the Town of Calhan and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Woodland Park Wellhead Protection Plan for the Town of Woodland Park and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Monument Wellhead Protection Plan for the Town of Monument and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Highland Lakes Wellhead Protection Plan for the Highland Lakes and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Safe Drinking Water in Wyoming: EPA Lead and Copper Rule -- Stakeholder Mobilization and Training for the Wyoming Direct Implementation and Enforcement Program, Region 8 Environmental Protection Agency (EPA).

Implementing Safe Drinking Water Act Lead Ban Training Conference for the Safe Drinking Water Program, Region 8 EPA.

Facilitation and Technical Assistance to Native American Tribal Governments to Incorporate Tribal Environmental Coalition for the Tribal Program, Region 8 EPA.

Great Plains Reservoirs Multiple Use Planning Public Meetings for Southeast Colorado Recreation Association, municipal and county governments, and the Colorado Department of Local Affairs.

Region 8 Western Legislators' Energy Conferences for Region 8 and U.S. Department of Energy.

Energy Activity Monitoring System for the Colorado Department of Agriculture.

PLANNING AND ACTING

Strategic, Regional, Land Use, Community, and Infrastructure Plans

Water Supply

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities.

Cache la Poudre Watershed Water Quality Stakeholder Assessment and Strategic Plan for the City of Fort Collins Utilities, City of Greeley Utilities, Friends of the Poudre, Larimer County, Northern Colorado Water Conservancy District, North Front Range Water Quality Planning Association, South Fort Collins Sanitation District, and Weld County.

Cache la Poudre Source Water Quality Stakeholder Assessment and Strategic Plan for the City of Fort Collins Utilities, City of Greeley Utilities, and Water Quality Control Division, and Colorado Department of Public Health and Environment.

National Pilot Source Water Assessment for the Upper Cache la Poudre Source Water Assessment Area, Fort Collins, Colorado for the Office of Drinking Water and Ground Water, U.S. Environmental Protection Agency; Water Quality Control Division, Colorado Department of Public Health and Environment; and City of Fort Collins Utilities.

Guide to Developing a Community Wellhead Protection Plan in Colorado: A Community Development Approach for the Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Calhan Wellhead Protection Plan for the Town of Calhan and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Woodland Park Wellhead Protection Plan for the Town of Woodland Park and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Monument Wellhead Protection Plan for the Town of Monument and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Town of Highland Lakes Wellhead Protection Plan for the Highland Lakes and Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment.

Strategic Mobilization Plan for Wyoming Safe Drinking Water Program for Wyoming Direct Implementation and Enforcement Program, EPA Region 8.

Nee Gronda Reservoir Development Plan--Phase I: Preliminary Assessment and Concept Plan for the Southeast Colorado Recreation Association, county and municipal governments; and Colorado Department of Local Affairs.

Nee Gronda Reservoir Development Plan: Domestic Water Supply for the Southeast Colorado Recreation Association, county and municipal governments; and Colorado Department of Local Affairs.

Nee Gronda Reservoir Development Plan: Water Quality for the Southeast Colorado Recreation Association, county and municipal governments; and Colorado Department of Local Affairs.

Wastewater Management

Final Amended Facilities Plan for the Cucharas Sanitation and Water District, Huerfano County, Colorado for Municipal Facilities Program, Region 8 EPA.

Final Interim Ignacio Sanitation District and Southern Ute Utilities Wastewater Facilities Plan for Municipal Facilities Program, Region 8 EPA.

Amendment to Facilities Plan: Pine Ridge Wastewater Treatment System, Pine Ridge, South Dakota for Municipal Facilities Program, Region 8 EPA.

Septage Management for the Rosebud Sioux Tribe, Todd County, South Dakota for Municipal Facilities Program, EPA Region 8.

Environmental Assessment (EA) and Finding of No Significant Impact (FNSI) Statement Development for Fort Washakie and Great Plains Hall, Wind River Reservation (Wyoming) for Municipal Facilities Program, EPA Region 8.

Assessment of User Charge Rate Structure for Ignacio Sanitation District/Southern Ute Utilities Division, Colorado Wastewater Management System for Municipal Facilities Program, EPA Region 8.

Assessment of User Charge Rate Structure for Pine Ridge, South Dakota Wastewater Management System for Municipal Facilities Program, EPA Region 8.

Community, Regional, Land Use Planning

Community Involvement Support, Community Involvement Plan: Interim Risk Management Plan Pueblo Formerly Used Defense Sites (FUDS), Southeast Colorado, to Versar Inc. for the U.S. Army Corps of Engineers.

Environmental Assessment Office Building Construction for the Federal Bureau of Investigation, Denver Division Office, Denver, Colorado for the General Services Administration, under subcontract with Waterstone Environmental Hydrology and Engineering Inc. (Boulder, CO).

Feasibility Study & Record of Decision Vasquez Boulevard/I-70 Superfund Site Operable Unit 3 Argo Smelter for the Region 8 EPA Superfund Program , under subcontract with Waterstone Environmental Hydrology and Engineering Inc. (Boulder, CO).

Predecisional Draft Comprehensive Land Use Plan for the Hanford Site, Washington for the Richland Operations Office, U.S. Department of Energy.

Analysis of Growth Trends and Socioeconomic and Demographic Characteristics of Select Parcels -- Report to Pueblo School District 60 Working Draft for the Pueblo School District 60.

High Technology Manufacturers in Colorado's Front Range, Map Series for the Colorado Commission on Higher Education.

Quartz Hill Socioeconomic Impact and Mitigation Strategy Assessment for Ketchikan Gateway Borough, Alaska.

Silverthorne Comprehensive Plan for Town of Silverthorne, Colorado.

Disaster Mitigation and Response Planning

Town of Eaton, Colorado Water System Emergency Response Plan for the Town of Eaton, Colorado.

Shoshone Municipal Pipeline, Wyoming Water System Emergency Response Plan for the Shoshone Municipal Pipeline; and Wyoming Direct Implementation Program, Region 8 EPA.

City of Cody, Wyoming Water System Emergency Response Plan for the City of Cody, Wyoming; and Wyoming Direct Implementation Program, Region 8 EPA.

Northwest Rural Water District, Wyoming Water System Emergency Response Plan for the Northwest Rural Water District, Wyoming; and Wyoming Direct Implementation Program, Region 8 EPA.

Community Water System Vulnerability Assessment: Town of Eaton, Colorado for the Town of Eaton, Colorado.

Community Water System Vulnerability Assessment: City of Sheridan, Wyoming for the City of Sheridan, Wyoming; and Wyoming Direct Implementation Program, Region 8 EPA.

Community Water System Vulnerability Assessment: Fort Collins, Colorado for the Fort Collins (Colorado) Utility under subcontract to CH2M Hill.

Flood Hazard and Storm Water Management Technical Assistance Data Base for the Hazard Mitigation Company, Boulder, Colorado.

Colorado State Landslide Hazard Mitigation Plan for the Colorado Division of Disaster Emergency Services, Colorado Department of Local Affairs.

Flood Hazard Management Plan for the Sheridan Watershed Area: Sheridan, Wyoming for the Disaster and Civil Defense Agency, State of Wyoming.

Assessment of Avalanche Hazard Zone Activity and Land Use Management Adjustment in Vail, Colorado for the Town of Vail, Colorado.

Planning and Implementing Information Systems

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities.

Directory of Colorado Water Quality Data for the Water Quality Data Program, Colorado Geological Survey, Colorado Department of Natural Resources.

National Pilot Source Water Assessment for the Upper Cache la Poudre Source Water Assessment Area, Fort Collins, Colorado for the Office of Drinking Water and Ground Water, U.S. Environmental Protection Agency; Water Quality Control Division, Colorado Department of Public Health and Environment; and City of Fort Collins Utilities.

Ground Water Classification GIS Generated Maps for the Water Quality Control Division, Colorado Department of Public Health and Environment.

Information Needs Assessment and Preliminary Design for A New Mexico Aviation Division Management Information System for the Aviation Division, New Mexico Department of Transportation.

Management Information Systems Professional Skills Development Workshop for Department of Government, New Mexico State University.

Computer-Aided Decision Support Within a Community Development Context for Office of Research and Development, University of Colorado-Denver.

Computer Assisted Geo-Parcel File/Data Base Management System: Phase I--Needs Assessment and Software Review for Planning Department, Wheatridge, Colorado.

Evaluation for Improving Computerized Diagnoses and Procedures Data Quality for the Boulder Medical Center, Boulder, Colorado.

Needs Assessment and Preliminary System Design: Administrative Computer Decision Support System for the Boulder Medical Center, Boulder, Colorado.

Energy Activity Monitoring System for the Colorado Department of Agriculture.

POLICY ANALYSIS, EVALUATION, AND IMPLEMENTATION

Policy Analysis

Environmental Resources

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities.

Findings of Assessment of Sensitive Issues Related to the Colorado Geological Survey's Water Quality Data Program Initiative -- Data Base Creation for the Water Quality Data Program, Colorado Geological Survey, Colorado Department of Natural Resources.

National EPA Pilot: Source Water Assessment of the Cache la Poudre Source Water Area, Fort Collins, Colorado for Source Water Assessment Program, Office of Drinking Water, US EPA; Water Quality Control Division, Colorado Department of Public Health and Environment; and City of Fort Collins Utilities.

Assessment of Potential Conflicts Between Wellhead Protection Programs and Western State Ground Water Allocation Systems for Ground Water Program, Region 8 EPA.

State and Local Financing Options for Ground Water Protection for Ground Water Protection Program, EPA Region 8.

Review of Select State and Local Ground-Water Resource Assessments for Ground Water Protection Program, Region 8 EPA.

Analysis and Recommendations for Implementing the Environmental Protection Agency's Pesticides In Ground Water Strategy: An Interorganizational and Network Approach for the Ground Water Protection Program, Region 8 EPA.

Assessment of Potential Impacts of Alternative Water Management Schemes on Colorado Economic Development Potential for the Water Policy Project, Executive Directors Office, Colorado Department of Natural Resources.

Assessment of Potential Socioeconomic and Environmental Impacts of Energy and Resource Developments on Colorado Agriculture for the Resource and Analysis Branch, Colorado Department of Agriculture.

Assessment of Demand for Water of Potential Colorado Energy and Resources Developments for the Colorado State Water Policy Project, Executive Directors Office, Colorado Department of Natural Resources.

Energy Resources

1982 Alaska State Energy Plan for the Alaska Division of Power and Energy Development.

State Energy Organization: Alaska Energy Project for the Speaker of the House of Representatives, Alaska Legislature.

Legislative Issue Brief: Guide to Oil Shale Development for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: Energy Emergency Legislation for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: Energy Demand Forecasting for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: Energy Emergency Conservation for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: Coal Synfuels for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: Nuclear Fuel Cycle Wastes for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: BLM Wilderness Review for the Region 8 and U.S. Department of Energy.

Legislative Issue Brief: Federal Coal Management for the Region 8 and U.S. Department of Energy.

Assessment of Energy Forecasting Issues for the Colorado Energy Resource Institute.

Assessment of Potential Socioeconomic and Environmental Impacts of Energy and Resource Developments on Colorado Agriculture for the Resource and Analysis Branch, Colorado Department of Agriculture.

Assessment of Demand for Water of Potential Colorado Energy and Resources Developments for the Colorado State Water Policy Project, Executive Directors Office, Colorado Department of Natural Resources.

Community Resources

Legislative Briefing Analysis of the Housing Needs of Colorado's Low Income and Elderly for Colorado Housing, Inc.

Quartz Hill Socioeconomic Impact and Mitigation Strategy Assessment for Ketchikan Gateway Borough, Alaska.

Program, Organizational, Management, and Capacity Evaluations

Libby Asbestos Superfund Site Community Relations Support, for the CERCLA Program, Region 8 EPA and U.S. Army Corps of Engineers.

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities.

Compliance Evaluation of Eight Native American Tribes' Multi-Media Grant Programs for the Tribal Programs Coordinator, Region 8 EPA.

Assessment: Comprehensive Tribal Ground Water Protection Programs Capabilities: Pine Ridge, South Dakota and Southern Ute Tribe, Colorado for Ground Water Protection Program, Region 8 EPA .

Assessment of User Charge Rate Structure for Ignacio Sanitation District/Southern Ute Utilities Division, Colorado for Municipal Facilities Program, Region 8 EPA.

Assessment of User Charge Rate Structure for Pine Ridge, South Dakota Wastewater Management System for Municipal Facilities Program, Region 8 EPA.

Evaluation: State of Utah Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban for the Public Water Supply Program Section, Region 8 EPA.

Evaluation: State of Colorado Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban for the Public Water Supply Program Section, Region 8 EPA.

Evaluation: State of North Dakota Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban for the Public Water Supply Program Section, Region 8 EPA.

Evaluation: State of South Dakota Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban for the Public Water Supply Program Section, Region 8 EPA.

Evaluation: State of Montana Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban for the Public Water Supply Program Section, Region 8 EPA.

Evaluation for Improving Boulder Medical Center Computerized Diagnoses and Procedures Data Quality for the Boulder Medical Center, Boulder, Colorado.

1982 Alaska State Energy Plan for the Alaska Division of Power and Energy Development.

State Energy Organization: Alaska Energy Project for the Speaker of the House of Representatives, Alaska Legislature.
