

GEORGE WEBER: PUBLICATIONS AND REPORTS
(Authored, Coauthored, or Directed)

Final Technical Memorandum: Libby Asbestos Superfund Site Community Relations Support; prepared for Summit Technical Resources, Inc.; USACE, Omaha District; CERCLA Program, Region 8 EPA; November 2011. See [What's New](#).

Section 3.3: Key Community Concerns, and Appendix K: Community Interviews Approach and Results, Community Involvement Plan, Pueblo FUDS (Internal Draft); prepared for Versar, Inc. for the U.S. Army Corps of Engineers, Omaha District; October 2011.

A First Step Assessment to Develop A Cooperative Water Quality Monitoring Program for Cache la Poudre Water Resources, for the Tri-District, City of Greeley Water, and City of Fort Collins Utilities; George Weber, Inc. Environmental, Boulder, CO; January, 2007.

Town of Eaton Water System Emergency Response Plan; Prepared for the Town of Eaton CO, using VSAT software; George Weber, Inc. Environmental, Boulder, CO; January, 2006.

Stakeholder Action Plan: Vasquez Boulevard/I-70 Superfund Site: Assessment, Findings, and Recommendations; Developed for the Region 8 EPA CERCLA Program; George Weber, Inc. Environmental; Boulder, CO; June 2005.

Shoshone Municipal Pipeline Water System Emergency Response Plan; Prepared for the Shoshone Municipal Pipeline, WY, with Summit Technical Resources using VSAT software under a technical assistance contract with the Region 8 EPA Safe Drinking Water -- Wyoming Direct Implementation Program; George Weber, Inc. Environmental, Boulder, CO; December, 2004.

City of Cody Water System Emergency Response Plan; Prepared for the City of Cody, WY with Summit Technical Resources using VSAT software under a technical assistance contract with the Region 8 EPA Safe Drinking Water -- Wyoming Direct Implementation Program; George Weber, Inc. Environmental, Boulder, CO; December, 2004.

Northwest Rural Water District Water System Emergency Response Plan; Prepared for the Northwest Rural Water District, WY with Summit Technical Resources using VSAT software under a technical assistance contract with the Region 8 EPA Safe Drinking Water -- Wyoming Direct Implementation Program; George Weber, Inc. Environmental, Boulder, CO; December, 2004.

Community Water System Vulnerability Assessment; Town of Eaton, CO; Prepared for the Town of Eaton, CO with Summit Technical Resources using a modification of ASSET software; George Weber, Inc. Environmental; Boulder, CO; May, 2004.

Community Water System Vulnerability Assessment; City of Sheridan, WY; Prepared for the City of Sheridan, WY with Summit Technical Resources using a modification of ASSET software under a technical assistance contract with the Region 8 EPA Safe Drinking Water -- Wyoming Direct Implementation Program; George Weber, Inc. Environmental, Boulder, CO; June, 2004.

Cache la Poudre Watershed Water Quality Stakeholders: Identification, Assessment of Potential to Mobilize to Protect Water Quality, and Strategic Plan for Mobilizing to Protect Water Quality; Developed for City of Fort Collins, City of Greeley, Friends of the Poudre, Larimer County, Northern Colorado Water Conservancy District, North Front Range Water Quality Planning Association, South Fort Collins Sanitation District, and Weld County; George Weber, Inc. Environmental; Boulder, CO; October 2003.

Directory of Colorado Water Quality Data; With Matthew Sares; Developed for the Water Quality Data Program, Colorado Geological Survey, Information Series 66, Colorado Geological Survey; Colorado Department of Natural Resources; 2003.

Cache la Poudre Source Water Quality: Identification of Stakeholders, Assessment of Stakeholder Potential to Mobilize to Protect Source Water Quality, and Strategic Mobilization Plan; Developed for Fort Collins Utilities, City of Greeley, and Water Quality Control Division, Colorado Department of Public Health and Environment; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; May, 2001.

National Pilot Source Water Assessment for the Upper Cache la Poudre Source Water Assessment Area, Colorado; Developed for the Office of Drinking Water and Ground Water, U.S. Environmental Protection Agency, Colorado Water Quality Control Division, and City of Fort Collins Utilities; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; [National Pilot Source Water Assessment of the Upper Cache la Poudre Mainstem](#), with Doug Bates, Webmaster; 1999.

Directory to Colorado Water Quality Data; Developed for the Water Quality Data Program, Colorado Geological Survey, Colorado Department of Natural Resources; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; Colorado Geological Survey Open-File Report 99-99; 1999.

Findings of Assessment of Sensitive Issues Related to the Colorado Geological Survey's Water Quality Data Program Initiative -- Data Base Creation; Developed for the Water Quality Data Program, Colorado Geological Survey, Colorado Department of Natural Resources; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; June 30, 1997.

Guide to Developing a Community Wellhead Protection Plan in Colorado: A Community Development Approach; Community Development Monograph Series #81; Developed

for the Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; September 1996.

Town of Calhan Wellhead Protection Plan; With Donna Arkowski; Community Development Monograph Series #73, University of Colorado at Colorado Springs; Sponsored by: Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; 1996.

Town of Woodland Park Wellhead Protection Plan; With Donna Arkowski; Community Development Monograph Series #79, University of Colorado at Colorado Springs; Sponsored by: Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; 1996.

Town of Monument Wellhead Protection Plan; With Terri Bernath; Community Development Monograph Series #78, University of Colorado at Colorado Springs; Sponsored by: Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; 1996.

Town of Highland Lakes Wellhead Protection Plan; With Helen Mihic; Community Development Monograph Series #77, University of Colorado at Colorado Springs; Sponsored by: Wellhead Protection Program, Water Quality Control Division, Colorado Department of Public Health and Environment; Center for Community Development and Design, University of Colorado at Colorado Springs; Colorado Springs, Colorado; 1996.

Predecisional Draft Comprehensive Land Use Plan for the Hanford Site; With Jason Associates et al; U.S. Department of Energy, Richland Operations Office; Richland, Washington; 1996.

Analysis of Growth Trends and Socioeconomic and Demographic Characteristics of Select Parcels -- Report to Pueblo School District 60 Working Draft; Submitted to Pueblo School District 60. Center for Community Development and Design, University of Colorado at Colorado Springs. Colorado Springs, Colorado; August, 1995.

Strategic Mobilization Plan for Wyoming Safe Drinking Water Program; Submitted to EPA Region 8 Wyoming Direct Implementation and Enforcement Program; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

Septage Management for the Rosebud Sioux Tribe, Todd County, South Dakota; Submitted to EPA Region 8 Municipal Facilities Program; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

Assessment: Comprehensive Tribal Ground Water Protection Programs: Pine Ridge, South Dakota and Southern Ute Tribe, Colorado; Submitted to EPA Region 8 Ground Water Branch; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

State and Local Financing Options for Ground Water Protection; Submitted to EPA Region 8 Ground Water Branch; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

Assessment of Potential Conflicts Between Wellhead Protection Programs and Western State Ground Water Allocation Systems; Prepared for Region 8 EPA Ground Water Branch. Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

Assessment of User Charge Rate Structure for Ignacio Sanitation District/Southern Ute Utilities Division, Colorado Wastewater Management System; Prepared for Region 8 EPA, Municipal Facilities Program; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

Assessment of User Charge Rate Structure for Pine Ridge, South Dakota Wastewater Management System; Prepared for Region 8 EPA, Municipal Facilities Program; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; September, 1993.

Final Interim Ignacio Sanitation District and Southern Ute Utilities Wastewater Facilities Plan; With J. Abram, L. Huffman, T. Wilson, D. Mooney, J. Weller; Prepared for Region 8 EPA, Municipal Facilities Program; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; October, 1992.

Amendment to Facilities Plan: Pine Ridge Wastewater Treatment System, Pine Ridge, South Dakota; With J.Bolis, L.Figeroa; Prepared for Region 8 EPA, Municipal Facilities Program; Rocky Mountain Regional Office, ICF Incorporated, Denver, Colorado; May, 1992.

Review of Select State and Local Ground-Water Resource Assessments; With T.Wilson; Prepared for Region 8 EPA, Ground-Water Protection Program; Rocky Mountain Regional Office, ICF Incorporated; April, 1992.

Final Amended Facilities Plan for the Cucharas Sanitation and Water District, Huerfano County, Colorado; With K. Gassel, L.Huffman, P.Nelson, J.Sonnenschein, B.Ward, and T.Wilson; Prepared for Region 8 EPA, Municipal Facilities Program. Rocky Mountain Regional Office, ICF Incorporated; September, 1991.

Evaluation: State of Utah Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban; With Carol Jacobson and Roger Carver; Prepared for the Public Water Supply Program Section, Region 8 U.S. Environmental Protection Agency,

Denver, Colorado; Geographic Applications and Research Group, Boulder, Colorado; February, 1990.

Information Needs Assessment and Preliminary Design for A New Mexico Aviation Division Management Information System; With Vicki Harley-Taggart and Robert Czerniak; Prepared for the New Mexico Aviation Division, Santa Fe, New Mexico; Geographic Applications and Research Laboratory, Los Cruces, New Mexico; January, 1990.

Analysis and Recommendations for Implementing the Environmental Protection Agency's Pesticides In Ground Water Strategy: An Interorganizational and Network Approach; prepared for the Ground Water Branch, Region 8 Environmental Protection Agency, Denver, Colorado; Geographic Applications and Research Group, Boulder, Colorado; February 15, 1990.

Evaluation: State of Colorado Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban; prepared for the Public Water Supply Program Section, Region 8 Environmental Protection Agency, Denver, Colorado; Geographic Applications and Research Group, Boulder, Colorado; 1989.

Evaluation: State of North Dakota Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban; with Carol Jacobson and Roger Carver; Prepared for the Public Water Supply Program Section, Region 8 Environmental Protection Agency, Denver, Colorado; Geographic Applications and Research Group, Boulder, Colorado; 1989.

Evaluation: State of South Dakota Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban; with Carol Jacobson and Roger Carver; Prepared for the Public Water Supply Program Section, Region 8 Environmental Protection Agency, Denver, Colorado; Geographic Applications and Research Group, Boulder, Colorado; 1989.

Evaluation: State of Montana Structure for Implementing Section 1417 of the Safe Drinking Water Act--the Lead Ban; with Carol Jacobson and Roger Carver; Prepared for the Public Water Supply Program Section, Region 8 Environmental Protection Agency, Denver, Colorado; Geographic Applications and Research Group, Boulder, Colorado; 1989.

Colorado State Landslide Hazard Mitigation Plan; With Bob Wold, Jack Truby, et al; Prepared for the Colorado Division of Disaster Emergency Services; Center for Community Development and Design, University of Colorado--Colorado Springs; Colorado Springs, Colorado; 1988.

Evaluation for Improving Computerized Diagnoses and Procedures Data Quality; With Howard Pogoda; Prepared for the Boulder Medical Center, Boulder, Colorado; Geographic Applications and Research Group; 1988.

Needs Assessment and Preliminary System Design: Administrative Computer Decision Support System; With Howard Pogoda; Prepared for the Boulder Medical Center, Boulder, Colorado; Geographic Applications and Research Group; 1988.

Effecting GIS Technology Application to Community Decision Making; In Papers and Proceedings 10th Annual Applied Geography Conference; October, 1987.

Nee Gronda Reservoir Development Plan: Domestic Water Supply; prepared for Southeast Colorado Recreation Association; Center for Community Development and Design, University of Colorado--Colorado Springs; Colorado Springs, Colorado; 1987.

Nee Gronda Reservoir Development Plan: Water Quality; prepared for Southeast Colorado Recreation Association; Center for Community Development and Design, University of Colorado--Colorado Springs; Colorado Springs, Colorado; 1987.

Computer-Aided Decision Support Within a Community Development Context; Internal working paper. Center for Community Development and Design, University of Colorado--Colorado Springs; Colorado Springs, Colorado; Summer, 1987.

Computer Assisted Geo-Parcel File/Data Base Management System: Phase I--Needs Assessment and Software Review; with Lynn Johnson, Ph.D.; Prepared for Wheatridge, Colorado Planning Department; Center for Community Development and Design, College of Design and Planning, University of Colorado--Denver. Denver, Colorado; Spring, 1987.

Nee Gronda Reservoir Development Plan--Phase I: Preliminary Assessment and Concept Plan; with Lynn Johnson, Ph.D.; Prepared for the Southeast Colorado Recreation Association; Center for Community Development and Design, College of Design and Planning, University of Colorado-Denver; Denver, Colorado; Spring, 1986.

Analysis of the Housing Needs of Colorado's Low Income and Elderly; with Herb Smith, AICP; Prepared for Colorado Housing, Inc.; Center for Community Development and Design, College of Design and Planning; University of Colorado-Denver; Denver, Colorado; February, 1985.

Flood Hazard Management Plan for the Sheridan Watershed Area: Sheridan, Wyoming; Prepared for the State of Wyoming, Disaster and Civil Defense Agency; Geographic Applications and Research Group. Boulder, Colorado; 1983.

High Technology Manufacturers in Colorado's Front Range, Map Series; With Robert Czerniak and William Von Schulz; prepared for the Colorado Commission on Higher Education; Geographic Applications and Research Group; Boulder, Colorado; April 1983.

Quartz Hill Socioeconomic Impact Study Task III Report: Projections of Community Conditions with Mine Development; Prepared for Ketchikan Gateway Borough; National Institute for Socioeconomic Research; Boulder, Colorado; June, 1982.

Quartz Hill Socioeconomic Impact Study Task I Report--Profile of Existing Conditions and Baseline Projection; Prepared for Ketchikan Gateway Borough; National Institute for Socioeconomic Research; Boulder, Colorado; May, 1982.

State Energy Organization: Alaska Energy Project; Prepared for the Alaska Speaker for the House of Representatives; National Conference of State Legislators; Denver, Colorado; 1981.

Guide to Oil Shale Development; Prepared for the U.S. Department of Energy; National Conference of State Legislators; Denver, Colorado; 1981.

Energy Emergency Legislation; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; February, 1981.

Energy Demand Forecasting; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; February, 1981.

Energy Emergency Conservation; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; February, 1981.

Coal Synfuels; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; June, 1980.

Nuclear Fuel Cycle Wastes; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; June, 1980.

BLM Wilderness Review; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; June, 1980.

Federal Coal Management; Prepared for the U.S. Department of Energy; National Conference of State Legislatures; Denver, Colorado; June, 1980.

Arapahoe County, Colorado 1978 Taxpayer Opinion Survey: An Analysis; Prepared for the Arapahoe County Commissioners; Boulder, Colorado; 1979.

Silverthorne Comprehensive Plan; Community Services Collaborative; Boulder, Colorado; 1978.

Assessment of Avalanche Hazard Zone Activity and Land Use Management Adjustment in Vail, Colorado; University of Colorado, M.A. Thesis; Boulder, Colorado; 1976.
